

Reflective Journal

EE7802 Undergraduate Project

Project title:

Name:

Registration Number:

Considering the following points, write the reflective journal in essay format that spans approximately two pages (font type: Book Antiqua, Font size: 11, spacing: 1.15)

- What did I do in the project?
- What are my thoughts and feelings regarding the project?
- How successful was the project, and what areas need improvement?
- How can I approach the project differently in the future?
- What valuable lessons have I learned?
- What accomplishments can I identify from this project?
- How can I apply the experience I've gained in the future?
